

Viewers – Sales

Has anyone in your household had COVID-19 or displayed symptoms?

If so, have they completed the required period of self-isolation?

Is anyone in your household in the high-risk category or currently shielding?

Please consider the questions above, and should there be anyone in your household that has not yet recovered from COVID-19, completed the required isolation following recovery, or is showing symptoms then **please do not arrange a viewing until it is safe for you to do so.**

Should none of the above apply, and you are happy your household is Covid Secure, please find some points to the right that Aktons are putting in place...

...for the safety of your household, the viewers and our staff.

During / Following the viewing

- All viewers will be required to wear gloves and shoe coverings (Aktons will provide where required)
- Number of people will be limited to two viewers only, ideally from the same household (no children)
- Please refrain from touching anything at the property where possible
- Viewing time limited to 15 minutes per viewing maximum
- 2 meter distance to be maintained at all times
- Following the viewing, where possible, we will discuss any questions/ feedback in an outside space, such as the front or rear garden
